

Fur & Feather

Fur & Feather – 11th December 2011

Due to a combination of bad weather in 2010 and low pool in 2011, this event was at risk of being cancelled once more. To prevent this from happening one of the club members arranged for the event to be held at Fish Ponds, Colwall and at no cost to the club.

15 brave soles ventured out on a very cold day. The temperature had dropped to -7 at fish ponds and fishing was going to be slow. Everyone tucked in to a breakfast and hot drink before starting the match.

The match was won by John Taylor on peg 12 with a weight of 9-10-0, closely behind was Criage Bray from peg 3 and 7-3-0 and 3rd was Tony Perks with 6-11-0 from peg 10.

Mark the fishery owner provided three additional prizes, Three day tickets including breakfast were awarded to the three lowest weights on the day, these were given to Shaun Taylor, Darren Howes and Ade Matthews. I will not say what they caught we don't want to embarrass them!

Afterwards Mark and the club laid on more hot food and drinks. Special thanks to Dave and his wife for doing us proud. Everyone enjoyed themselves without exception and no one went home empty handed.

Match Winner: - John Taylor
